MIDDLE SCHOOL: **Activity / Field Trip Fees:**
6th Grade: $ 175.00
7th Grade: $ 175.00
8th Grade: $ 225.00 (includes graduation fee)

**Each middle school student must have a backpack to carry books/materials to/from school. It is highly recommended that you purchase a backpack with wheels. Backpacks with wheels may be "parked" outside lockers. Backpacks without wheels must fit inside the locker.

ALL GRADES:

1. Clearly label all supplies.
2. The emergency food bags are very important. Pack one for each child. One-gallon freezer bags are sturdy and should hold enough food to keep your child content for 12 hours. Be sure to include only non-perishable, easy-open items.
3. Students are expected to have their textbooks covered at all times. Please – no adhesive contact paper type covers. Book socks are the best.
4. A reusable, airtight container for hot lunch – clearly labeled with the child's name and grade.
5. The paper goods and utensils for Hot Lunch are helpful for those days when students forget their reusable containers. Hopefully we get to the point where we do not need paper plates!

Fees are due no later than Wednesday, September 1, 2010.
Students will not be allowed to participate in field trips/activities unless fees are paid in full.
