

Dear parents,

It's one of the busiest times of the year....another school year is coming to a close, excitement ahead for graduations and summer break.

The Scrip team is here to help you be as organized as possible!

Please look on the back of this page for a Scrip order form and consider making a purchase of Scrip cards before the end of the school year. You will be so organized when the time comes to shop for school supplies and uniforms that your kids have outgrown!

Also please consider buying gas and grocery cards that you will need all summer but will not be able to buy in the office again until September.

Remember, your Scrip orders will make money for St. Anselm School without you spending any extra dough!

Thanks in advance from your Scrip team,

*Rebecca Bugas & Katie Driscoll*
